LOS ANGELES, CA (May 26, 2022) - Today, FaZe Clan, Inc. ("FaZe Clan"), the lifestyle and media platform rooted in gaming and youth culture, announced Gabriel Gélinas aka FaZe Proze as the winner of FaZe1: The Warehouse in a final showdown that took place over a 5-day sprint to narrow the top 22 contestants down to one ultimate recruit. FaZe Proze stormed the competition and displayed all the skills needed to leave as the champion, earning them a spot as the newest member of FaZe Clan. Additionally, FaZe Proze received a life-changing signing bonus of \$1M in cryptocurrency from MoonPay, \$250k sponsorship from GHOST and a brand new Nissan GT-R sports car.

The uncensored, unedited and radically transparent show FaZe1: The Warehouse was the last stage of the [FaZe1](#) global recruitment challenge that has been underway since January 2022. FaZe began with thousands of creator submissions from around the world, narrowed initially to the Top 100, then to the Top 20 contestants, who competed in-person over the past several weeks at the new FaZe Warehouse, a playground for internet kids in the heart of Hollywood. The finalists went head-to-head, challenging their skills as streamers, brand ambassadors, content creators and entertainment personalities in a series of mini competitions to crown the ultimate recruit. The show was live streamed 24/7 on Twitch allowing viewers to interact with contestants and showrunners live in the comments.

FaZe1: The Warehouse has currently amassed over 42 million total impressions across all platforms leading up to the finale and over 600,000 unique viewers over the course of the competition.

As the winner of FaZe1, FaZe Proze will join the organization's robust talent collective of engaging content creators, esports professionals, world-class gamers and a mix of talent who go beyond the world of gaming, including NFL star Kyler "FaZe K1" Murray, Lebron "FaZe Bronny" James Jr., Lil Yachty aka "FaZe Boat" and Snoop Dogg aka "FaZe Snoop."
