LOS ANGELES, CA (April 12, 2022) - FaZe Clan, Inc. (FaZe Clan) the digitally native lifestyle and media platform rooted in gaming and youth culture, is proud to announce Donald De La Haye aka "FaZe Deestroying" as the organization's newest official member. Deestroying will join FaZe Clan's robust talent collective of gamers, creators, entertainers and esports professionals. Deestroying was announced today via FaZe Clan's social channels with an incredibly inspiring mini-documentary that tells his compelling journey as a former college athlete to a celebrity content creator with a combined social reach of over 10 million across platforms. Watch the announcement video [HERE](#).

Deestroying caught the attention of FaZe Clan with his magnetic personality and electrifying, sports centered content that has amassed a passionate community of millions of diehard fans. His content showcases his insane athletic skills, personal lifestyle vlogs, and 1v1's with some of the biggest names in the sports world. Born in Costa Rica, Deestroying's path to stardom is uniquely his own. After moving to the U.S. with his family when he was seven years old, the young and bilingual De La Haye excelled in both athletics and academia. His talent and passion for football led to a full-ride scholarship as starting kicker for the University of Central Florida – where he first began creating his signature videos. His fast-paced rise into the spotlight has paved the way for other young athletes to seek alternative channels of success and financial opportunity beyond the conventional routes.

FaZe Deestroying is an advocate for young athletes to benefit from their name, image, and likeness (NIL) and is considered a pivotal figure in the winning battle that overturned an NCAA rule prohibiting players from financially benefiting from their NIL. His experience has opened the door for many highschool and college athletes to be compensated for their hard work and dedication to their craft.

"I remember watching FaZe Clan when I was 12 years old and now fast forward many years later, I am joining," said FaZe Deestroying. "It feels like a dream come true and it's an honor to become a part of the FaZe family. I know the future is very bright, and I hope everyone is ready for all the exciting and groundbreaking projects we have in store! FaZe Up!"

"We are beyond excited to broaden our footprint to a wider array of content with the addition of Deestroying," said Nikhil Jayaram, Senior Talent Manager at FaZe Clan who also manages FaZe Clan's biggest talent including FaZe Rug among others. "His natural stardom, work ethic and love for content creation fits perfectly into the FaZe family. We are constantly in innovation-mode at FaZe and looking for ways to embrace new types of talent. Dee joining FaZe signifies the expansion of the sports and athlete side of not only our talent roster, but our company and we can't wait to keep building with him."
